

# WE'RE BACK IN BUSINESS!

Construction will resume in NorthWest and NorthCentral PA beginning May 1 and Kessel is eager to get back to work.

We will be following the COVID-19 Guidelines from the State of PA in our office and job sites including;

Wearing face masks

Washing hands per CDC guidelines

Sanitizing tools, trailers and equipment

Practicing social distancing

Taking temperatures

- Visitors will be required to gain approval prior to any office or site visits. A short health questionnaire will be completed at time of visit.
- When possible, we will conduct meetings via phone, Google, Zoom, text and/or email communication.

Kessel is ready, willing and able to work so call us today to discuss your project.
