GROW WITH A RECOGNIZED LEADER IN DESIGN-BUILD CONSTRUCTION SERVICES

Q. Where is Kessel located and what industries do you serve?

A. Kessel Construction is based in Bradford, PA and specializes in design-build construction of commercial and industrial buildings. We serve a variety of industries including automotive dealerships, natural gas/energy, powder metal, plastics, micro breweries and timber.

Q. What other services do you provide?

A. Kessel is a general contractor and as a Butler Manufacturing™ franchise, we offer Butler metal building systems as well as conventionally framed buildings. Many of our projects also include extensive metal roofing/re-roofing and concrete services.

Q. What types of positions are available and how many people do you employ?

A. On average we have about 35 team members. We are frequently looking for laborers but on occasion hire project managers/developers, estimators, project superintendents and drafters. Many of our employees have been with us for years and have worked their way up the career ladder.

Q. What types of benefits do you offer?

A. Kessel provides competitive pay, excellent health care benefits, dental and vision, 401(k) retirement program, Christmas and vacation clubs, paid holidays and paid vacation.

Q. Where do I send my resume?

A. Interested applicants should send their resume to info@kesselco.com or call **814.362.4696** for more information.
